Dear dr. KHAN,

The Second International Congress Terme Selce - Corporate Wellbeing: a year after, was very successful thanks to your support.

We are very grateful!

This year, we launched the Terme Selce Corporate Wellbeing Global Award, which we will continue to deliver to selected companies and institutions for contributing to and/or supporting the well-being of employees in companies, both locally, in the EU and globally.

Selce Memorandum 2023 will be available on the congress web, as well as other announcements.
