Dear Sabur Khan Daffodil!

Thank you for your active participation in the Round Table "Eurasian standards in business education based on business Russian as a factor of economic integration in the Great Eurasia macro-region". We are confident that the ideas expressed in your speech will help in the future to reach a new level of coverage and study of the problem of Eurasian standards of business education and their implementation in the system of business education.

We hope that in the future we will be able to productive cooperate in the implementation of educational projects in the Great Eurasia region.

Best regards,  
Owner of Southern University (IMBL)
