

Dr. Md. Sabur Khan
Academic & Business Profile

Dr. Md. Sabur Khan is a distinguished entrepreneur and esteemed educationist whose vision and dedication have significantly shaped the intersection of business proficiency and academic innovation. He is the visionary founder of the Department of Innovation and Entrepreneurship at Daffodil International University (DIU), which stands as a beacon of his commitment to cultivating the entrepreneurial leaders of tomorrow.

Academic Contributions:

Dr. Khan has been pivotal in developing DIU's pioneering curriculum for the Department of Innovation and Entrepreneurship, merging theoretical frameworks with practical experience. His mentorship has sparked the entrepreneurial spirit within students, supported by a vibrant academic culture that encourages innovation through seminars and competitions.

Business Contributions:

A trailblazer in the IT industry, Dr. Khan initiated Daffodil Computers Ltd., setting a benchmark in Bangladesh's tech sector. His ventures have grown into the Daffodil Group, exemplifying the powerful synergy between industry and academia, and offering students priceless exposure to real-world business scenarios.

Recognition and Leadership:

Dr. Khan's leadership is recognized across numerous prestigious national and international bodies, reflecting his longstanding contributions to education, entrepreneurship, technology, and business development. He currently serves as Chairman of the Advisory Council of the Association of Universities of Asia & the Pacific (AUAP) for 2025–2026, Chairman of the Global Entrepreneurship Network (GEN) Bangladesh, Treasurer (Elect) of the International Association of University Presidents (IAUP) for 2027–2030, Ambassador of the World Union of Small and Medium Enterprises (WUSME) in Bangladesh, Standing Committee Member of the Asian University Presidents' Forum (AUPF), and Chairman of the Association of Private Universities of Bangladesh (APUB).

Previously, he served as Director of the World Innovation Technology and Services Alliance (WITSA) and Chairman of its Global Trade Committee. He also served as President of AUAP (2023–2024), President of the Dhaka Chamber of Commerce & Industry (DCCI) in 2013, and President of Bangladesh Computer Samity (BCS) for 2002–2003. The Government of Bangladesh has also honored him with the Commercially Important Person (CIP) status, acknowledging his contributions to the nation's development.

His scholarly works and publications contribute to his stature as an academician, with a wide array of topics ranging from entrepreneurial development to educational strategies. These publications not only reflect his in-depth knowledge but also his desire to disseminate learning and foster discussion in the global community.

Legacy and Vision:

The legacy of Dr. Khan is not just defined by his successful business endeavors but also by the profound impact he has on nurturing an entrepreneurial mindset. His dual dedication to academic excellence and business ingenuity marks him as a transformative figure, advancing the economic and educational fabric of Bangladesh.
