Dr. Md. Sabur Khan  
Founder and Chairman, Board of Trustees  
Daffodil International University  
Dhaka, Bangladesh

Dear Dr. Sabur Khan,

I would like to extend my heartfelt thanks for your kind hospitality during the 18<sup>th</sup> Asian University Presidents Forum and offer congratulations on its great success. Daffodil International University did an excellent job in organizing every aspect of the forum.

All the events were well arranged and productive. The paper presentations and panel discussion provided good opportunities for fruitful discussion on the means of developing entrepreneurial skills among young people and on creating university environments that foster such skills. This is especially important as university leaders seek new ways of adapting to the coming challenges for higher education. In this respect, the main theme "Future of Entrepreneurship Education and Experiential Learning: Determinants of Developing Successful Entrepreneurial Eco-system in Asian Economies" was conducive to raising important issues.

I believe all the participants in AUPF 2019 felt very welcome and enjoyed the forum events. Your students' performance at the gala dinner and culture night showed their passion and talent. We deeply appreciate your efforts along with those of all the faculty and staff of DIU who were involved in AUPF 2019.

I look forward to meeting you again in the near future, and I wish the best for you and everyone at Daffodil International University.

Sincerely,

Jekuk Chang  
President  
Dongseo University
