3. People Management
4. Critical Thinking
5. Negotiation
6. Quality Control
7. Service Orientation
8. Judgment and Decision Making
9. Active Listening
10. Creativity

Entrepreneurial Activities, Innovations and Skills are inseparably linked with the **Economic Development.** Innovativeness has been defined as the level of innovation incorporated (Goktan and Miles 2011)

Daffodil International University strives to build a strong ecosystem on **Entrepreneurial Activities & Innovation.**

In fact the education system of Bangladesh needs to be transformed, focusing heavily on encouraging and cultivating entrepreneurial minded student.

Entrepreneurship Education aims at producing graduates who are capable of pointing out the **OPPORTUNITIES** and **DEVELOPING VENTURES** through the establishment of new ventures or developing an existing venture.

International Social Business Summer Program (2017, 2018, 2019)

Testimonial of Professor Dr. Muhammad Yunus

“

.....I am very happy that Daffodil International University is arranging its 3rd International Social Business Summer Program (ISBSP).....

....When you join the program at DIU, you will meet the people physically, meet them in their work, meet them in new classroom, they will be talking about their experience, what they have done. It's a rare opportunity to meet the

people who has such a dramatic change for the world”

Professor Dr. Muhammad Yunus

Nobel Laureate and Chairman, Yunus Centre
