Research Project

A close-up photograph of a person's hands and arms. The person is wearing a light blue long-sleeved shirt. They are sitting at a wooden desk, reading an open book. Their right hand is holding a blue pen, and their left hand is resting on the pages of the book. The background is softly blurred, showing more of the desk and some papers. Overlaid on the top half of the image is the text "Research Project" in a large, bold, red font.

A laptop computer sits on a wooden desk, its screen displaying the words "ONLINE EDUCATION" in large, bold, blue capital letters. The background on the screen is a collage of various school supplies, including pencils, paper clips, and a notebook. To the left of the laptop is a closed brown leather notebook with a silver pen resting on top. In front of the laptop, a pair of glasses with blue-tinted lenses lies on the keyboard. To the right of the laptop is a colorful mesh pencil holder filled with a variety of colored pencils and pens. A smartphone is placed on the desk in front of the pencil holder. The background is a bright, blurred window with soft light filtering through.
